FOREWORD

The Senior Class of 1970 wishes to present to the faculty, students, and friends this edition of the UTK. This has been a year of fun and memorable occasions, but most of all hard work. As you look through the pages of this yearbook, may it bring back memories to you now and in years to come. We wish to express our gratitude and appreciation to each person who has given us assistance in making our yearbook a success. We hope you will enjoy reading this UTK as much as we enjoyed publishing it.

DEDICATION

L. M. Hamberlin

Mrs. Grace Hamberlin

The Senior Class of 1970 wishes to express its gratitude and admiration to the two members of the faculty who, in its eyes, have done their utmost to contribute to the development of the Senior Class. Not only have these teachers worked diligently for education, but they have also strived to display good leadership and the importance of discipline. The genuine concern and the respect for the rights of each individual have been two of their many admirable qualities.

We extend to them our sincere appreciation. To you, Mr. & Mrs. Hamberlin, we dedicate the 1970 edition of the UTK.

CLASS PROPHECY

PATRICIA BREEDEN will follow in her father's footsteps as star mail-carrier for the Utica Post Office. JOHNNY BREEDLOVE--After finally graduating, Johnny at last hangs up his managing broom. JIM CAGLE hangs up his Hell's Angels crash helmet, and he holds out his hand for his high school diploma and Liz. LINDA CAMPBELL has retired from coaching the Utica Girls' Basketball team to concentrate on her FFA work at home. MARGIE COOK has opened up her own body shop to take care of her numerous dented fenders. EUGENE DILLON--Peaches goes to Hinds on a football scholarship to major in nanny goat production. CATHY EASTER--After a life of trial and error, Cathy has finally succeeded in jumping a stump the right way. KATHY ELLIS--Having given up on U.H.S. has settled down to D.E.S. and the hard life. JEFF FLANAGAN has-uh-settled down as the number one-uh-gas pum-uh-pumper at uh-Charles Hubbard's. DENISE GOINGS is now teaching her own techniques of jumping barbed-wire fences--free of charge. GARY HERREN was presented with a pair of cowboy boots and a new pair of tenny-pumpers in preparation for jackin' it up four years at Moo U. MARTHA HERREN--After perfecting a new technique in driving, she has knocked Danny Reed off as Demolition Derby Champ. DONNA LEONARD--After being forced to resign as go-go girl at Hullabaloo, she has taken over as Vice-President of Airplane Glue Inc. MILTON MARTIN--Peter Perfect has given up driving old Bus 69-7. He has begun to draw road maps for the city of Jackson. CHERYL OWEN --After starring five years at U.H.S. with the round ball, Cheryl has decided to dye her hair red and join the All-American Red Heads. BETTY SUE RIGBY--After school she plans to open a beach resort down at Bayou Pierre. JERRY STRONG, having given up totin' the pigskin, has made a huge fortune test-driving little green studebakers. RICKY WHATLEY--After losing his job as parts manager for Billy Beechem, Ricky took over as manager of Ed McGriggs' stereo tape department. DAVID WOMACK, the mild, mannered canteen operator is secretly the crime fighting hero, "Spider Man."
